

HILL BILLY'S

INT. BAR WITH A POOL TABLE

Montage of Will hustling pool.

He keeps making shots, then taking a variety of odd character's money.

Will's phone goes off again. He walks away and checks it. Belcher is checking him out. He's being quite secretive. It's a text from Krista saying, "Where you been all day?" Will types back, "Got in to something. Call you later."

The hustling continues. All of his shots are miraculously going in. Most of them seem to be taking abnormal spins, bounces, and rolls.

Will runs around like Tom Cruise in "Color of Money", twirling the stick around and being cocky as hell. The two are having a blast kicking ass at pool.

HILLBILLY#1

I think you been hustling us boy.

BELCHER

Your damn right we have been.

HILLBILLY#2

Take em' down hause.

HillBilly#1 one looks at his friends to impress them and drops the cue ball as he speaks.

HILLBILLY#1

How about you we do one last shot... and this time its for all them biddies.

HillBilly#1 puts his stack of money next to the already big stack of money on the table and pats it.

Will lines up for the final shot of the game. Tension builds.

WILL

Eight ball corner pocket.

Will strokes the shot. It's evidently way off, but mysteriously it goes in the pocket.

The Hill Billy's are irate. Belcher starts running around the table in celebration and mocking them.

BELCHER
 (behind the Hillbilly's to
 Will)
 We're going to make you squeal like
 a pig boy.

WILL
 (to Belcher)
 Shut up!

HILLBILLY#1
 What did you say yankee...?

HILLBILLY#3
 I think this city boy here thinks
 he's Clay Aiken.

WILL
 No...no I don't.

BELCHER
 (in his face)
 Yeah you're gay Aiken.

WILL
 Shut up!

HILLBILLY#2
 Boy...I think you're asking for a
 good old fashion ass whooping?

A beer bottle mysteriously flies through the air and smacks Hillbilly#2 across the head.

BELCHER
 (excited)
 Bar fight!

WILL
 Ah...Shit!

A bar fight ensues. Mysterious flying beer bottles and pool sticks are being used to fight the Hillbilly's.

The flying bottles and pool sticks knock out all three of the HillBilly's.

Belcher and Will stand over their accomplishment of the unconscious Hillbilly's.
