

**WILL'S BOSS:**

INT. WILL'S WORK OFFICE - AFTERNOON

Will sits at his desk working away at something on the computer.

Will's boss comes in holding a big folder.

WILL'S BOSS  
Hey Will. How was your weekend?

WILL  
Good. Just long, feeling a little...

WILL'S BOSS  
(cuts him off)  
Great...I need you to take a look at these.

He starts to hand him the folder, it goes flying all over. As he goes to pick it up, his toupee comes flying off his head on to Will's face. Belcher face pops up behind the Boss as Will takes the rug off of his face. His boss is very embarrassed.

WILL'S BOSS  
Sorry about that Will. There must be a breeze in here.

He hands the papers to Will and puts his rug back on.

WILL'S BOSS  
Here ya go.

Will's Boss leaves. Belcher is standing proud and grinning by the desk.
